

Time to Dance at TBS! Session 2

Dance and creative movement are an integral part of every child's growth and development! Come join us on Friday mornings, as 2 and 3 year olds explore motor development, body awareness, rhythm and music appreciation with their parent or other special adult! As you dance, play and share in the joy of music and movement together, you will not only enhance your child's growth, but your relationship as well!

"Time to Dance" will take place in the TBS Community Room from 9-10 am on Fridays, February 27, March 6, 13, 20, 27, and April 3. During these 6 sessions, 12 children and their adult partner will continue to have the opportunity to explore these themes:

***Getting to Know You ~ Rhythm in Our Lives ~
Cycles and Seasons ~Life is a Juggling Act ~
Roll Around and Go with the Flow ~ Oh! The Places We'll Go!***

Nancy Peiser Kreiger, has a M.F.A. in Dance and is a registered Dance-Movement Therapist.
