## From Rabbi Markley

If you have been following the updates about our Mikdash project, or if you have tried unsuccessfully to book a space for a meeting

or program at the temple, or if you have visited one of our many staff members who work in converted closets, then you are likely aware that we are challenged by some significant space constraints at Temple Beth Shalom. One of the results of these restrictions was the recent need to relocate our TBS archives which contain the documents and memorabilia of nearly sixty years worth of our history. Doing so provided an opportunity not only to create a much needed work space for our Jewish Learning Guides and other faculty members but

also to take a trip down memory lane through our archives.

In preparing for the move, our Director of Elementary Learning, Ellen Dietrick, discovered a copy of this publication – *The Scroll* – from December 1966, 46 years ago this month. Even in those days, the synagogue communicated its

upcoming calendar of events in *The Scroll* to inform members about upcoming programmatic offerings. For the sake of comparison, I've included a copy of the December 1966 Temple Beth Shalom calendar here. Knowing our present day community as I do, it was with a

large smile on my face that I counted a total of twenty-two meetings, programs, and events scheduled for TBS 46 years ago (and half of those were Braille and beginner's Hebrew classes, or Weight Watchers meetings).

By comparison, in this upcoming month - December 2012 - I count well over seventy offerings at Temple Beth Shalom, not including our regularly meeting children's learning programs and not counting services (as neither were included in the 1966 calendar). And this is a relatively slow month at TBS with many

leaving for vacation time after the first three weeks. It is clear why space is such a commodity in our building nowadays. It is surely because we have so many people experiencing such a rich array of learning, prayer, leadership, social action, celebration, and community-building opportunities. Be a part of the action. I'm looking forward to seeing you in December!

## From The Executive Director

### Census, Software, and Chaverware!

In the beginning of the book of Numbers (B'midbar in Hebrew), we are told that G-d spoke to Moses instructing him to "Take a census of the whole Israelite community" (Numbers 1:2). The portion goes on to tell us how G-d named all of those who would assist Moses in doing the counting, and then goes on to enumerate the actual head-count of people, tribe by tribe. In some ways, this census represents the first database of the Jewish people. I can only imagine that the process would have been much easier if Moses had a good piece of software to assist him in the counting.

Most of us use computer software in our everyday lives. Whether we write a letter on the computer, log in to our banking software, order a book or CD online, or answer our email, we are reliant on a piece of computer programming to help us do many of our daily tasks.

This is similar for the management of information at the Temple. Over the summer, Temple Beth Shalom

converted software programs to a new platform, entitled "Chaverware". Chaverware represents a great improvement in our ability to provide services to members of our community. This article will provide you some updates as to what changes and enhancements we have already made, and what you will be seeing in the future.

### Changes Already Made

- With the new monthly statement format and payment options available in Chaverware, we are able to provide congregants with more accurate records, showing exactly what amounts are now due and allowing congregants to choose an appropriate payment option (annual, bi-annual, or monthly).
- The membership update form distributed this summer (printed directly from Chaverware) included *yahrzeit* information, the ability to specify relationships to other congregants, complete work information, and many other biographic fields (Hebrew name, *b'nei mitzvah* date, etc.). While similar information was available in our previous software, the ease of printing this information and

- allowing congregants to manage their own information is much improved in Chaverware.
- High Holy Day seating was managed in Chaverware this year, providing better tracking of available seating, and providing customized printed tickets.
- Registration and attendance information for our K-12 Learning programs has been migrated into Chaverware (it had previously been stored in a series of Excel spreadsheets) ensuring that we have one primary data source.

While these (and other) improvements would be enough (Dayenu!), we have some exciting features coming:

- With the anticipated introduction this Spring of Chaverweb (the online version of Chaverware), we expect that congregants will be able to:
  1. update their own biographical information,
  2. view their statements and make payment online,
  3. search a congregational directory for other members' contact information, and
  4. register for classes and programs without the need to retype basic information on each registration form.

The Hebrew word "chaver" means friend. Chaverware is truly friendly software, enabling much better communication with members of our community. Watch the *Scroll* and the TBS This Week for more information about our roll out of Chaverweb this Spring!

And watch your mailboxes for our printed TBS directory coming this spring. The directory is our own "census" of our community, produced with the help of our new software and the leadership of our Communications Committee.

### ***Bar Mitzvah Project to Honor Beloved Teacher***

Hello, my name is Josh Weinstein and I am student and member of Temple Beth Shalom. This December I will be called to the Torah as a Bar Mitzvah. Many of you may have known my Hebrew tutor Ruth Neiterman who unfortunately passed away on June 16, 2012. Ruth's passing was very hard on my family and me because she wasn't just a Hebrew tutor to us, she was a mentor, someone I could always rely on for help. Ruth dedicated her life to helping her students learn—they were everything to her. In fact, within the last couple weeks of Ruth's life she insisted on coming to my home to help me. She came over feeling weak in a mask wearing medical gloves, but that didn't stop her from helping me. Ruth had the ability to tell stories in such a way that engaged me in learning. I always looked forward to her telling me something new about Jewish culture. She loved Temple Beth Shalom with all her heart and coming here filled her with joy.

For my mitzvah project I would like to raise money to buy a piece of artwork dedicated to Ruth for the new Temple Beth Shalom Staff Lounge. This way every time someone looks at the piece of artwork they will think of Ruth and what an amazing person she was. I will be raising money by having a raffle. The raffle includes 3 prizes so you get 3 chances to win. The prizes are a \$75 gift certificate to Fuji Steak House, a \$50 gift certificate to The Rice Barn, and lastly a lunch for two at Sweet Basil. All three restaurants are in Needham. If you'd like to participate in the raffle it only costs \$5 per entry and you can enter as many times as you would like. The drawing date will be on December 10, 2012. Donations should be made payable to Temple Beth Shalom in memory of Ruth Neiterman. On your check please write your e-mail address so I can notify you of the results of the raffle. Also, please mail your donation to my address below. Thank you for your consideration in honoring Ruth.

Sincerely, Josh Weinstein 24 Scott Road Needham, MA 02492 781-444-0547 yoitsme2010@gmail.com

## Sisterhood

The Sisterhood year is off to another great start. The first few months of the year are very busy for our Membership Secretary, Elissa Grebber. She has been receiving all of our membership dues and updating our database. We have over 180 members so far, including 17 new members. Karen Zeiger, our Membership Secretary, graciously hosted our October Board meeting and New/Prospective Member Book Swap. We spent a lovely evening getting to know our newest members, chatting about books and, of course, enjoying some delicious snacks provided by Jane Blauvelt and Bonnie Littman!

On October 14, Emily Aransky, Sisterhood Team Captain, walked 7 (very wet) miles in the Making Strides Against Breast Cancer Walk. Our team raised over \$1013. Thank you Emily!

The mood at Membership Dinner is

always very relaxing and this year it was even more so. It feels like a back to school night for Sisterhood. We were able to catch up with friends we haven't seen in a while, make new connections and just have an all-around great time. We had over 130 members in attendance including our clergy and staff and it was wonderful to see so many faces of Sisterhood all together.

Many members also came together to volunteer at this year's Fall Rummage Sale. Whether simply dropping off donations, helping with set up, working the sale itself or cleaning up after, your time and effort are greatly appreciated. Although Hurricane Sandy interfered with our Bag Sale, the event was still a big success bringing in over \$4000. Thank you Bonnie Littman and your fabulous volunteers!

Warm wishes for a happy and peaceful holiday season.

*In Sisterhood,  
Lisa Channen, President*

On December 3 at 9:30 a.m. in Simon Hall, Cheryl Monroe is presenting a **"Pressed Flower Workshop"**, where pressed flowers, dried and fresh, will be used to create a lovely design that will then be computer scanned and returned

to participants as a greeting card. Cheryl is an enthusiastic gardener and has extensive knowledge on current trends. A wonderful morning is planned.

Colder temperatures and shorter days signify that winter is approaching, but now is the time to start thinking about participating in the Boston Flower and Garden Show at the Seaport World Trade Center, Boston, March 13 - 17, 2013. This year's theme is "Seeds of Change". Please mark your calendar!

A good reference magazine is *"Fine Gardening"* in Newtown, Connecticut. It was awarded a Silver Medal. Their articles are written by knowledgeable horticulturists and gardeners.

There are no fall leaves to be found, No flowers on the cold, cold ground, But come to our Garden Club where pretty flowers do abound.

# Brotherhood

Shalom! Last month we examined our mission and purpose, and closed by inviting you to participate in our TBS men's community. As the 2012 calendar year comes to a close, we can say with pride that many of you have chosen to accept our invitation, and have chosen to participate. Thanks to you, our community is as strong as ever and growing.

Some of you participated in this year's High Holy Day services as ushers; some of you helped us build up and take down our Sukkah; some of you participated in our Brotherhood Retreat; and most of you attended the Leroy Davis Family Sports Breakfast. We hope that all of you enjoyed volunteering at our programs and will continue to participate as we move into 2013!

We enter 2013 as a strong, vibrant

community of men. As you can see from the above, we offer many opportunities to serve the Temple and just to have fun! This is what the TBS Brotherhood is all about. We will end 2012 in this spirit and start 2013 the same way.

To end 2012, we will have our **Annual Community Blood Drive** in association with the American Red Cross on Sunday, December 16. This is one of the most important and successful blood drives on the American Red Cross's calendar in our community. Last year over 100 pints of blood were donated and we are looking to do even better this year! We will need many volunteers to assist with this event; from helping to register people when they come in, to preparing and serving food to those who donate, and assisting as many donors as we can accommodate. If you are interested in participating in any way, please contact Jim Winterman at [jdwinterman@gmail.com](mailto:jdwinterman@gmail.com).

We will begin 2013 with another annual tradition - Our **Bottle Drive at the Needham RTS station** on Saturday, January 5, 2013. This is another opportunity to help the community's recycling efforts and also raise some money for the Brotherhood—not to mention that if you haven't participated before, it can really be a lot of fun!

Be sure to mark your calendars for the joint **Brotherhood-Sisterhood Comedy Night** to be held on Saturday, January 26, 2013. (see below) Last year's Comedy Night was sold out and everyone who attended had a blast! We expect that this year's event will also sell out, and will be even more entertaining than last year's!

See the January *Scroll* for a complete listing of all our events through June 2013.

*In Brotherhood,  
Marty Goldberg  
Corresponding Secretary*

**Cocktails and Camaraderie!**  
**Saturday, January 26 at 7:30 p.m.**  
**Temple Beth Shalom**

Join us for an extraordinarily funny night as we enjoy delicious hors d'oeuvres, drinks and dessert while we are entertained by the comedic talents of Paul D'Angelo, Mitch Stinson, and Dave Andrews.

### Cash Bar

*Paul Murphy spent ten and a half years as an Assistant District Attorney, supervising several of Massachusetts's busiest courthouses, before building a reputation as a noted criminal-defense trial attorney. The unexpected twist to this story is that, for nine of those years, under the pseudonym of Paul D'Angelo, Paul was simultaneously becoming one of the nation's top standup comedians.*

*Mitch Stinson is a former aircraft-carrier aviator for the United States Navy who, as a pilot, made over 200 carrier landings during his ten year military career. Mitch has recently risen through the comedy ranks in the Northeast US by virtue of his original (and clean!) material that offers unique insight into the transition from hot-shot Navy pilot to everyday civilian life... resonating with comedy crowds everywhere*

*We welcome back, Dave Andrews, a classically trained vocalist with jazz guitar chops and a love of the blues harmonica; his act is his own blend of humor, music and nostalgia. With his signature hat and guitar, comedian Dave Andrews hits the stage running with an arsenal of impressions and one-liners delivered with impeccable timing and ease.*

*Singles, couples & friends are all welcome for this "adults-only" nightclub-style evening!*  
*\$36.00 per person for Temple Members;*  
*\$40.00 per person for non-Temple Members*

## The Annual Shofar Appeal

Thank you to all of the families and individuals in our community who “heard the call of the Shofar” by participating in this year’s Annual Shofar Appeal. Your participation ensures that our Temple community continues to be able to serve as a warm and welcoming home for all of us.

For all of those still interested in contributing to the Shofar Appeal, we continue to gratefully accept donations. Please visit <https://www.tfaforms.com/258077> to make your contribution online. Contributions listed below are accurate as of October 29, 2012. Future contributions will be acknowledged in later editions of the *Scroll*.

The program is designed to help participants uncover (and explore) career and lifestyle options that may not have been obvious!

*As part of Temple Beth Shalom's Chesed/Caring activities, TBS CareersConnections provides opportunities for members to build their professional networks, and offers assistance through workshops and one-on-one consultations to those looking for employment or considering a career/lifestyle change.*

**To RSVP for workshops, or for more information on TBS CareerConnections, please contact Sheryl Hirsch at [sherylhirsch@rcn.com](mailto:sherylhirsch@rcn.com) or 781-799-0614.**

Please consider joining our new  
Chesed Initiative  
"Caring Connections"

We enhance the lives of those TBS community members who may appreciate a "connection" by sending them cards, or emails or by calling or visiting them.

We welcome new committee members who want to help others and make new connections of their own.

## Social Action

The mitzvot from the Torah and Jewish tradition of feeding the hungry are the basis of the URJ resolutions for social action and social justice. "The Talmud explains that each Jewish community must establish a public fund to provide food for the hungry, and our sages explain that feeding the hungry is one of our most important responsibilities on earth." (Religious Action Center of Reform Judaism, URJ) At TBS, ongoing programs support this mission. These are the highlights of our community's commitment to fulfill this mitzvah of feeding the hungry:

Our High Holy Day Food Drive to benefit the Needham Community Council, led by John Dennis, had

tremendous participation this year, with 465 bags of food collected, up from 402 last year.

Every month members of our community donate cans of tuna and salmon for Family Table, thereby

### TIKKUN OLAM REPAIRING THE WORLD

making an ongoing commitment to help those who are struggling to feed their families. Our goal

is to provide at least 100 cans of tuna and 25 cans of salmon each month. In addition, some of our temple members also deliver food packages to recipients each month.

The youngest members of our Temple family, the children at the TBS Children's Center, regularly prepare tuna casseroles for the clients of

Rosie's Place, a shelter for homeless women.

At Christmas every year, Lois Sockol, June Atkind, and our devoted Project Ezra team prepare and distribute as many as 125 Christmas dinners for local residents who might otherwise not be able to enjoy a festive meal.

A food drive to benefit Family Table will be part of our Tikkun Olam Day in the spring.

In these many ways, large and small, we, as members of the TBS community, fulfill our sacred obligation to help those who are less fortunate, remembering the midrash to Psalm 118:17: *When you are asked in the world to come, "What was your work?" and you answer: 'I fed the hungry, you will be told: 'This is the gate of the Lord, enter into it, you who have fed the hungry.'*

### PLEASE HELP US COLLECT FOR THE PAJAMA PROGRAM

During November and December, Sisterhood will be collecting **NEW** pajamas & **NEW** books for Pajama Program. The Pajama Program is a nationwide organization that collects and distributes new pajamas and new books to children in need – children living in shelters, group homes, or foster care. Many have been abused or abandoned; they are alone and feel unwanted.

**Help give these children a sense of love & belonging.**

**Our collection drive will continue through the month of December.**

**A box for donations will be placed in the Atrium.**

**Please bring new pajamas and new books for children – infants to teens, boys and girls!**

Chanukah begins on December 8, and donating a pair of pajamas or a new book is a perfect way to share the light of Chanukah with needy children, and to teach our own children about the mitzvah of "giving."

Help us reach our goal of 100 pj's and 100 books!

If you have any questions, please contact Alison Davis at [ABGDavis@aol.com](mailto:ABGDavis@aol.com) or Betty Weiner at [bweiner235@gmail.com](mailto:bweiner235@gmail.com).

**For more information, visit: [www.pajamaprogram.org](http://www.pajamaprogram.org).**

### Shhhhhh!

Each fall, leaves turn from a summery, fresh green to autumnal, rich reds and yellows. As homeowners tackle the job of raking leaves, clearing gardens, and cleaning yard debris, they create a lot of noise and pollution. Many of us are starting to look for quieter, cleaner alternatives to the loud power tools often used for cleaning yards.

#### Choose hand-powered or electric tools.

- **Leaf blowers:** Rakes are effective and cheaper than using a leaf blower. Plus, you get a chance to burn some extra calories! If you need a power tool for a hard to reach spot (like your roof, or in between shrubbery), try an electric leaf blower rather than a gasoline-powered one. Electric leaf blowers are usually quieter, more energy-efficient, and get the job done just as well as their high-powered counterparts.
- **Garden trimmers:** As an alternative to more energy-intensive trimmers, you can also try electric trimmers. Or, if you want to be a retro gardener, use manual shears to trim back evasive bushes and carefully prune your favorite tree.
- **Lawn mowers:** Many yards are small enough that a hand-powered lawn mower does the job. Hand-powered lawn mowers are very quiet, replacing the roar of a power motor with the quiet whir of the lower-tech model. If you have a larger yard or one that requires heavier maintenance, research electric lawn mowers which make less noise and have a lower environmental impact.

### Happy Chanukah

TBS Jewish Film Series presents

## Footnote

Sunday, December 16 at 4:00 p.m.

in Simon Hall

Free Admission - Free Refreshments

The story of a great rivalry between a father and son, both eccentric professors in the Talmud department of Hebrew University in Jerusalem. The son has an addictive dependency on the embrace and accolades that the establishment provides, while his father is a stubborn purist with a fear and profound revulsion for what the establishment stands for, yet beneath his contempt lies a desperate thirst for some kind of recognition. The Israel Prize, Israel's most prestigious national award, is the jewel that brings these two to a new peak in their complicated relationship. Winner, Best Screenplay, Cannes Film Festival 2011, and Dublin Film Critics Award, 2012.

Hi, my name is Alex Luscher.  
For my Mitzvah project, which I am  
calling "Purple Power Rules", I decided  
to raise money for pancreatic cancer  
research. I chose this because two of  
my close friends each lost a parent to  
pancreatic cancer.

I am going to raise money by selling  
purple and gray rope titanium necklaces.  
Purple is the color of pancreatic cancer  
and the symbol is a purple ribbon.  
There are two purple ribbons located on the rubber disks  
next to the clasp on each necklace.  
All three ropes are imprinted with • Live • Love • Laugh  
because this was my friend's dad's motto when he got sick.  
These necklaces are worn by many baseball players and  
other sports players. They contain powdered titanium.  
Athletes who wear them say they feel less tired, less sore  
and more flexible. Results may be different for each person.  
My mom and I founded a company that would customize  
these necklaces for us and are only available on our  
website. Proceeds from the sale of these necklaces will go  
to The Lustgarten Foundation. This foundation gives 100%  
of their donations to pancreatic cancer research. You can  
learn more at: <http://www.lustgarten.org>.

Please visit: <http://purplepowerrules.webs.com> and click on  
the web store link on the top of the page to purchase a  
necklace for \$10. We offer free shipping and accept paypal  
or checks. Every penny counts!
